

# THE MAITREBUILDER SCHOOL

## End of Session Newsletter 2024/2025

We give all glory to God, the Master of all lives, upon whom we rely to build destinies and nurture greatness.

### APPRECIATION

Words cannot fully express our gratitude to our esteemed parents for your unwavering support and encouragement throughout this session.

Your prompt payment of tuition has kept us on track, and we truly appreciate your continued trust and partnership.

### DECENNIAL CELEBRATION

Our long-anticipated 10<sup>th</sup> Anniversary was finally brought to life this session – and what a celebration it was!

From the Sports Fiesta, Thanksgiving Day, Founders' Day, Movie Day, Parents Day, to the grand Graduation and Prize-Giving Day – each event was successful to the glory of God.

### COMPETITIONS

Though our participation was limited this year due to rising costs, we look forward to coming back stronger next session.

Nonetheless, we proudly won awards in competitions such as DEFI, Maths Bee, SPARK, Maths Wizard ,Subar Adedokun Foundation and others.

## **PRIZE GIVING & AWARDS**

We extend heartfelt thanks to some of our generous parents, both at home and in the diaspora, who offered cash prizes to learners from Elementary through College.

Your gesture added sparkle to the closing moments of our event.

Special appreciation goes to:

Mrs. Ladipo, Mrs. Adisa, Mr. Johnson Olaniran, Prof. Ibiwumi Alade, and The School Chairman/Director.

We hope to see more of such motivation in the coming session.

## **TUITION**

In our quest to continue offering quality education and services, a slight increase in tuition has become necessary.

We kindly ask for your understanding and encourage you not to consider changing schools as an option - quality education is priceless.

May you never lack the means to give your child the best. Please ensure tuition is paid before resumption.

## **TERMINAL CLASSES (GRADES FIVE, NINE & TWELVE)**

Learners in terminal classes are expected to pay for the entire session (1st, 2nd & 3rd Term).

This enables us to plan and register for external examinations effectively.

Payment can be made in two instalments - 70% before resumption.

## **SCIENCE CLASSES**

Due to the rising cost of reagents and lab materials, practical fees have been included in the tuition for all science classes.

## **BOOKS**

To avoid the purchase of pirated materials, please procure textbooks from reputable bookshops. Some notebooks and select books, as listed, are available for purchase in the school.

## **HOLIDAY CLASSES**

Holiday classes begin on Monday, 18<sup>th</sup> August 2025 to Friday, 5<sup>th</sup> September 2025.

This three-week program blends academics, entrepreneurship, and skill acquisition to keep learners engaged and productive.

- **Elementary:** N10,000
- **Middle School:** N12,000
- **College:** N15,000

## **RESUMPTION**

School resumes on Monday, 15<sup>th</sup> September 2025.

All academic activities will commence immediately.

## **HOLIDAY TIPS FOR PARENTS**

Please pay close attention to your child's emotional state. Excessive withdrawal or isolation may be a sign that they need support.

Whether traveling or staying home, ensure they are not idle.

Enroll them in summer classes or expose them to skill-based activities.

An idle hand is the devil's workshop.

## **OUR WEBSITE – A GIFT FROM THE CLASS OF 2025**

We are excited to announce that our official school website is now live, designed by the brilliant minds of the Class of 2025 as part of their final Coding & Robotics project.

Visit us at: <https://themaitrebuildersschool.com>

Get access to this newsletter, photo galleries, announcements, and more!

Kudos to: Emmanuel Akinbola, Marvelous Adeyemi, Akpos Charity, Mujeeb Amodu, and Henry Adewale.

They didn't just soar - they built a legacy!

## **Next Session**

The forthcoming academic session marks yet another opportunity to ignite the brilliance within our eagles.

At The Maitrebuilder School, we are fully prepared to deliver excellence with renewed Dedication, Commitment, and Purpose

## **IN CONCLUSION**

On behalf of the Board of Directors, we wish you a restful and joyful holiday season.

Thank you once again for choosing The Maitrebuilder School -

Where lives are built with purpose and excellence.

Follow us online for updates and announcements.
